Multipurpose High Vent Elbow

(Dimension in mm)

CODE	SIZE	α	β	L	A	B	C	Socket	Ctn Qty
MV-422	100 x 50	90°	92°	52	112	81	222	F & F	10

*2 nos. of plugs are included for an elbow

3 optional outlets for ventilation pipes

A boss for waste pipes or cleaning eye

According to the regulations of Building Department, it is essential to use a standard fitting - Multi-purpose High Vent Elbow to ensure the ventilation pipes being higher than the soil pipes in sunkens. In order to have a greater flexibility, three nos. of outlets with different directions are equipped. 2 nos. of plugs are included for an elbow to clog the outlets where unoccupied. Besides, a lowest outlet can be used as a cleaning eye or connection for other waste pipe if applicable.

* Our Multipurpose High Vent Elbow is a patent pending fitting

Patent Pending - Patent Application No. 17106243.3

Registered Design Pending - Registered design application No. 1701232.1

Test report from Castco - Reference No.NW0170802-001
